

ANNAREDDY NAVEEN KUMAR REDDY

B.Tech ECE Student | Aspiring Software Engineer

Location: Kadapa, Andhra Pradesh, India | Email: naveenkumarreddyannareddy@gmail.com | Phone: 7013998257

GitHub: <https://github.com/annareddy-naveen-kumar-reddy> | LinkedIn: <https://linkedin.com/in/annareddy-naveen-kumar-reddy-03>

PROFESSIONAL SUMMARY

Enthusiastic and technology-driven B.Tech Electronics and Communication Engineering student with a strong focus on software programming in Python and C Language, algorithmic problem solving, and structured engineering. Proven track record in building practical, real-world project solutions with high attention to clean logic and rigor.

EDUCATION

Mohan Babu University - Bachelor of Technology (B.Tech)

Branch: Electronics and Communication Engineering (ECE) | Academic Period: 2025 - 2028 | CGPA: 8.2

Loyola Polytechnic College - Diploma in Engineering

Branch: Electronics and Communication Engineering (ECE) | CGPA: 8.7 (First Class with Distinction)

ZPHS Nallingayapalli - Secondary School Certificate (SSC)

Academic Performance: 428 Marks

TECHNICAL SKILLS

Programming Languages: Python, C Language

Core Competencies: Data Structures, OOP, Procedural Programming, Pointers & Memory Basics, Problem Solving

FEATURED PROJECTS

SmartLabTwinAI: Digital Twin for Laboratory Monitoring & Energy Management

- Designed an intelligent monitoring system combining sensor telemetry, anomaly detection, and predictive maintenance.
- Integrated real-time temperature, humidity, voltage, and current tracking with AI-assisted alert concepts.

AI Smart Attendance System: Automated Face Recognition & Cloud Sync

- Developed an automated attendance solution using Python, OpenCV, and structured database storage.
- Implemented face dataset capture, real-time facial feature extraction, and proxy-free verification.
